**PBV Directory** is an Innovative, Independent, Impartial, Itemized, and International legal directory

### Innovative

PBV Directory methodology assures a daily updated market positioning of law firm listed rather than a yearly updated picture.

### Itemized

Lawyers and Law Firms dossier in PBV Directory has been studied to provide more information to our users in order to better evaluate/pre-select lawyer and law firm, and to have a clear picture about competencies and experience.

Moreover, PBV Directory is the only legal directory listing both Partners and Fee-earners.

### Independent

Law Firms and Lawyers positioning in the directory is connected to objective, public and verified information rather than subscription or submission.

### Impartial

Law Firms and Lawyers positioning in PBV Directory is estimated according to the aggregated deals / cases value managed during last 12 months.

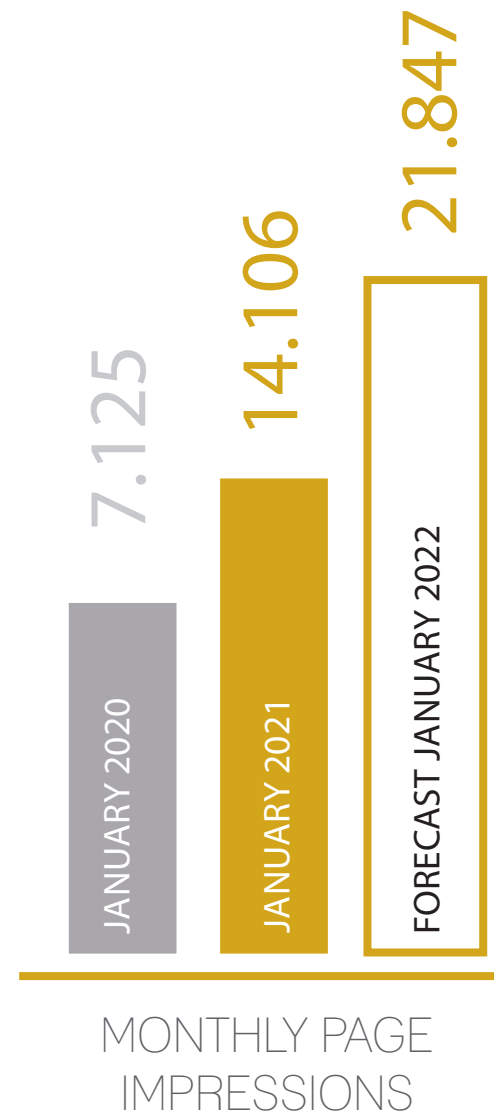

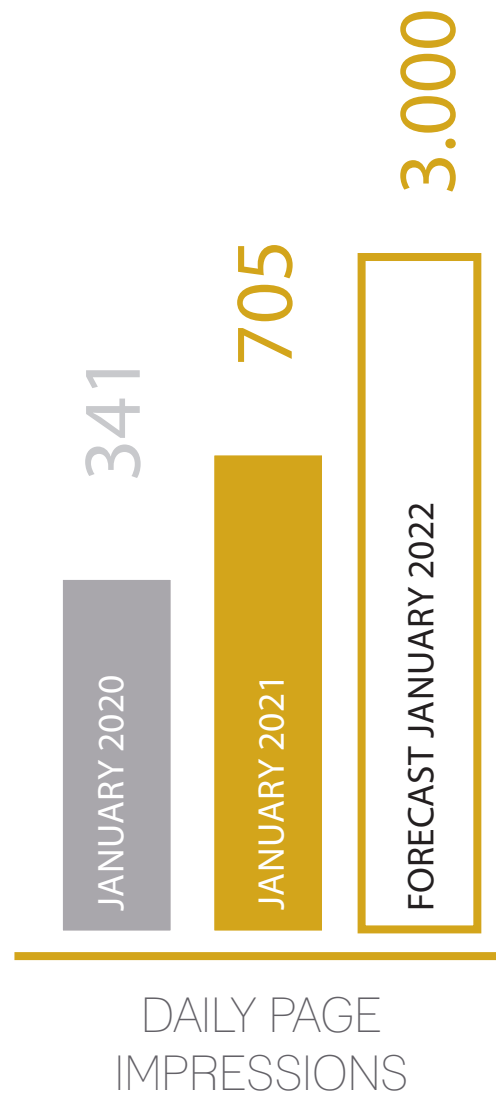

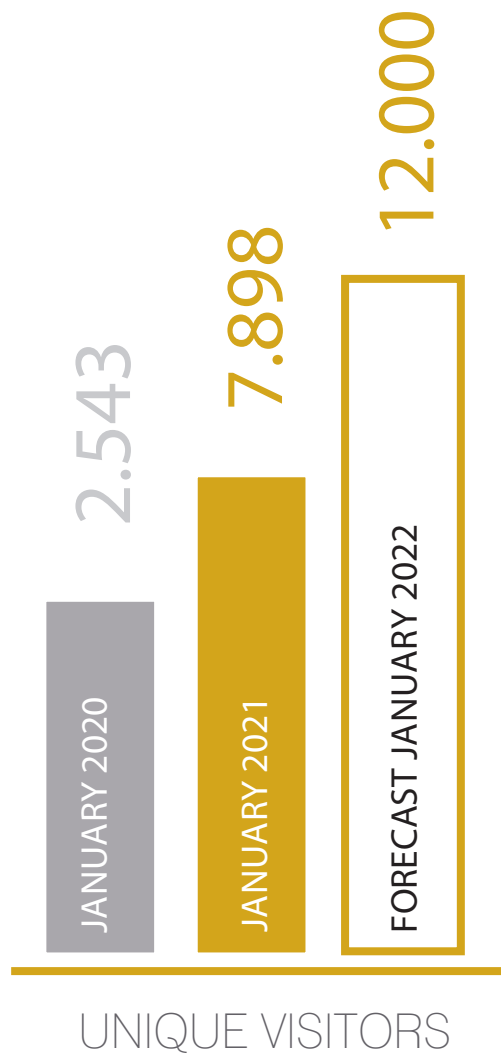

### International

PBV Directory analyzes data in 77 jurisdictions at global level. The information is analyzed by our team in 6 languages (English, Spanish, French, German, Italian, Arabic).
